PAURA ATOMI

A large, powerful nuclear mushroom cloud explosion is the central focus of the image. The cloud is massive and billowing, with a bright, glowing orange and yellow core at its base where the explosion occurred. The top of the cloud is dark and textured, resembling a giant's head. The explosion is set against a dark, cloudy night sky. Below the cloud, the dark surface of the ocean is visible, with a faint reflection of the light from the explosion. The overall mood is dramatic and ominous.
